

Sunscape Farms 2023 Flower Order Policies

Thank you for your interest in Sunscape Farms flowers! We specialize in providing beautiful fresh cut flowers for open houses, parties, and other table arrangements. Please note that at this time, we are not accepting orders for wedding carry bouquets or boutonnieres.

Flowers are available to order **from July 1st until October 1st**. Our mixed bouquets are always fresh, beautiful, and sustainably and locally grown!

Flower Varieties

Please note that because our flowers are grown locally outdoors, we *cannot guarantee* a specific variety and color for a specific date. However, we do guarantee your satisfaction with a lovely mix of colors and varieties. Here are some of the varieties we grow over the course of the season:

Ageratum	Eucalyptus	Strawflowers
Asters	Greens	Statice
Cabbage Rose	Hydrangeas (Limelight)	Sunflowers (orange or yellow)
Celosia	Lilies (white or pinks)	Zinnias
Dianthus	Rudbeckia	
	Snapdragons	

Satisfaction Guarantee

If you are not satisfied with your order when you come to pick it up, you are under no obligation to buy your order. We stand by our beautiful, fresh-picked flowers and have had thousands of satisfied customers dazzled by Sunscape arrangements.

Arranged Bouquet Sizing Details

- A **Medium Bouquet** fits inside a Mason jar.
- A **Signature bouquet** is about 12-14 inches across and is similar to the ones that we sell daily at our farm markets during flower season.
- A **Jumbo Table Bouquet** is about 50% larger than a Signature bouquet.

Please note that sales tax applies additionally to all flower orders and vases are not included. Flower stems are cut to about 18 inches, banded, and ready for pickup in floral buckets (mixed bouquets will be sleeved and placed four bouquets to a bucket).

Loose Flower Buckets

Loose flower buckets come in 2.5 gallon floral buckets and typically contain approximately 75-80 assorted loose stems, with the stems cut to about 18 inches long. Buckets of larger flowers like sunflowers will average 50 stems per bucket.
